

Washed in Watercolor

With Instructor Jo Ellen Reinhardt

Stepping Stones by J Reinhardt, Watercolor

Unlike any other medium, watercolor offers a bountiful array of wonderful techniques. From glazing to spattering, these unique properties may be found in all successful watercolor paintings. In this class, students will have the opportunity to learn from weekly demonstrations and apply newly learned methods to their work. Subject matter will range from landscapes to still lifes and portraits paintings. Beginning students are encouraged to practice the techniques while advanced students may work independently on their own projects with guidance.
