

TOSCANA AMERICANA presents

A TRAVELER'S SKETCHBOOK

May 11 – 18, 2024

Join Jo Ellen Reinhardt for this weeklong plein air workshop in beautiful Tuscany and Umbria. Create vignette sketches and paintings of the dramatic vistas, colorful architecture, bustling people and more during your time on this magical trip to Cortona, Italy. Morning and afternoon sessions, followed by individual instruction, will cover the basic concepts of atmospheric and linear perspective, capturing people, architecture, and dramatic lighting. With pen and paper in hand, you'll quickly document the sites. Add a touch of watercolor to enhance your sketches. Your art supplies are light and easy to tote making this ideal for all levels of artists. The traveler's sketchbook is a wonderful way to document your trip in a carefree way.
