

New England School of Fine Art presents
*Portrait Painting in
Watercolor*

With Instructor Jo Ellen Reinhardt

Unlike any other medium, watercolor offers a bountiful array of wonderful techniques. From glazing to spattering, these unique properties may be found in all successful watercolor paintings. Working from photographic references, students will have the opportunity to learn from weekly demonstrations and apply newly learned methods to their work. Lessons will focus on how to paint eyes, the nose, lips, hair and skin tones. Subject matter will be provided. Beginning students are encouraged to practice the techniques while advanced students may work independently on their own projects with guidance.
