

# Making the Ordinary Extraordinary *Painting Light in Watercolor*

With Robert J. O'Brien AWS NWS,  
Instructor

*Learn how to paint "the light"!*

This course will explore techniques on how to achieve spectacular light effects from ordinary images through the use of light and shadow. Subject matter will range from landscape, to close focus studies of architectural and agricultural motifs. Composition and values will be explored in this workshop. All levels of painting ability are welcome. Students will work from photo reference. Some drawing experience is recommended. There will be a critique and class discussion at the end of the workshop.
